FROM THE DEAN | ANNETTE ROBERTS WEBB

"Opening doors. Driving economic mobility. Fueling workforce innovation."

As the workforce landscape continues to evolve, UC Merced PACE remains committed to creating pathways to opportunity. In 2025-26, we delivered impactful programs that helped adult learners gain in-demand skills, credentials, and confidence, while expanding strategic partnerships across high-growth industries. Through these efforts, we are helping shape a more inclusive, innovative, and future-ready workforce for California's Central Valley and beyond."
